**If applying as a Crew Member, contact the Eagle Board Chair, Larry Gollaher for guidance.**

To schedule an Eagle Board of Review, a **completed *Eagle Scout Rank Application*** must be submitted to the North Star District Advancement Committee **no later than the last day of the month preceding the month in which the Scout desires a Board of Review.** It is unlikely that any board date will host more than 10 Candidates, so they are encouraged to submit their Eagle applications as early as possible to ensure their space on the desired date.

**Troop leaders should review the Eagle candidate's application and all supporting documents, using the current *Eagle Application Checklist* available on the North Star District's website, prior to submitting them for a Board of Review.** The checklist guides the troop's adult leadership through the process of checking the *Eagle Scout Rank Application* and supporting documentation for completeness and accuracy. Inaccurate or incomplete documentation will likely delay the Eagle candidate's Board of Review date and could potentially prevent the Candidate from attaining the Eagle rank. **Please leave the marked copy of the Checklist with the Application in the notebook binder. Do not submit a copy of the Application to the Council for verification, as the District Advancement Committee will do that in bulk. Do not delay submitting the application just because all references have not been returned.**

**Eagle Scout Applications in notebook binders may be submitted at the following locations:**
